

Review of Agricultural and Applied Economics

Acta Oeconomica et Informatica

◆ The International
Scientific Journal
ISSN 1336-9261
www.roaae.org

The Review of Agricultural and Applied Economics is an international scientific journal, published by the Faculty of Economics and Management, Slovak University of Agriculture in Nitra, Slovakia and the Association of Agricultural Economists in Slovakia.

The RAAE provides a forum for scholarly work in **agricultural economics; rural and regional development; development economics; agricultural and food policy; management, marketing, finance in agriculture and food processing.**

The RAAE is a scholarly **open access**, double blind peer-reviewed international journal published electronically twice a year.

The RAAE welcomes the submission of manuscripts that meet the general criteria of significance and scientific excellence. Research articles are freely available immediately on publication with **no charges to authors or readers.**
